Remarks

If space is what you're after, this well-maintained, all-brick ranch offers just that. With 3 bedrooms and 2 full baths on the main level, you'll enjoy a functional layout that includes an open kitchen and family room on one side, and a second living area or formal dining room with a cozy fireplace on the other. The open atrium staircase leads to a spacious lower level featuring a second fireplace, a third full bath, laundry area, and plenty of additional living or storage space. This solid home offers room to roam in a great Blue Springs location, just minutes from shops, restaurants, and more.
